The screenshot shows the Microsoft 365 Dev Center homepage. At the top, there's a navigation bar with links like Microsoft 365 Dev Center, Explore, Resources, Developer Program, More, All Microsoft, Search, Cart, and Sign in. A yellow banner on the right says "Now with instant availability!". The main content features a large image of two men working on a laptop. To the left, a section encourages joining the program with the text "Join the Microsoft 365 Developer Program today!" and a "Join now >" button. Below this, four program benefits are listed: "Free developer sandbox" (with a wrench icon), "Sample data packs" (with a downward arrow icon), "Access to experts" (with a people icon), and "Personalized recommendations" (with a pen icon). Each benefit has a brief description and a "Learn more >" link.

<https://aka.ms/microsoftviva/blog>

The screenshot shows the Microsoft Teams landing page. At the top right, there is a notification badge with the number '1,131'. Below the header, there's a 'Mark8 (Mark 8)' card with a profile picture of a person with blonde hair and glasses, wearing a striped shirt. The card includes a bio: 'Alternative: Mark 8 is Microsoft's latest generation of social software with integrated services and tightly coupled optimized for commercial and professional use, whereas...'. Below the card, there are sections for 'People (391)', 'Resources (90+)', and 'Feed Highlights' with several thumbnail images. A 'BREAKING' announcement at the bottom left states: 'We are proud to announce the release of the [Mark 8](#)'. The overall theme is professional and modern.

Sample code

1 Live coding interview sample using Meeting Stage view

The screenshot shows a Microsoft Teams meeting interface. On the left, there's a video feed of Adele Vance. In the center, a "Live coding" window is open, displaying three programming challenges:

- 1 Question: Write a program to accept N numbers and arrange them in an ascending order**
Language: csharp
Expected output: For array with 7 elements containing [6,3,7,4,2,0,8] the output will be [0,2,3,4,6,7,8]
Code snippet:

```
1 using System;
2 namespace SortAnArray
3 {
4     public class SortAnArray
5     {
6         static void Main(string[] args) {
7             // Write your code here
8         }
9     }
10 }
```
- 2 Question: Get unique value from array eg:[1,4,5,4,2,1,9,5,7,6,3]**
Language: javascript
- 3 Question: Get count of character from string**
Language: javascript

Each challenge has a "Share" button.

Doc updates

Step-by-step guide

2

Introduction

Prerequisites

Set up local environment

Create and register your bot

Update the Azure AD app registration

Set up app settings and manifest files

Build and run the service

Add Meetings Side Panel to Teams

Interact with the app in Teams

Complete challenge

Congratulations!

Generate meeting side panel

Article • Developer (Beginner) • 14 minutes to complete • 9 contributors

The meeting side panel enhances your in-meeting experience and helps organizers and presenters to have different set of views and actions.

Key features of meeting side panel

- Provisions to add new agenda point
- Adds the agenda as text input to the **Side Panel** list
- Publishes the agenda list to the meeting chat

This step-by-step guide helps you to generate meeting side panel to add and publish agenda. You'll see the following output:

The screenshot shows a Microsoft Teams meeting interface. A participant, Megan Brown, is visible in the video feed. The meeting chat window shows a message from "MeetingsSidePanel" with an agenda:

Here is the Agenda for Today

- Approve 5% dividend
- Increase research by
- Continue with WFH
- Bot testing

Below the agenda, there are two smaller windows showing the same agenda list, representing the side panel being shared.

Optional picture time!

Video on and we'll grab
a Together Mode pic
with those who are
willing to do this.

We are together on this
as a community!

Let's all be
like Seb

A photograph showing three people in an office setting. A woman in a white shirt and grey pants points towards a whiteboard while two other individuals, a man and a woman, look on. They are standing in front of a whiteboard with some writing on it. In the foreground, there's a wooden desk with a small decorative object on it.
